You Make Loving Fun – Fleetwood Mac

© 1977 Christine McVie (about an affair with the lighting director - I read it in The Truth)
[Gm]/// [F]/// [Eb]///

[Gm]Sweet wonderful you,
[F]You make me happy with the things you [Eb]do,
[Gm]Oh, can it be so,
[F]This feeling follows me wherever I [Eb]go.

Chorus
[Bb]I never did believe [Bb/Ab]in miracles,
[Gm]But I've a [F]feeling it's time to [Eb]try,
[Bb]I never did believe [Bb/Ab]in the ways of magic,
[Gm]But I'm [F]beginning to wonder [Eb]why.

[Gm]/// [F]/// [Eb]/// (twice, or for however long someone wants a solo)

Repeat Chorus

[Gm]Don't, don't break the spell,
[F]It would be different and you know it [Eb]will,
[Gm]You, you make loving fun,
[F]And I don't have to tell you but you're the only [Eb]one.

Outro
[Bb]You, [F]you make loving [Eb]fun (*It's all I wanna do*)
(repeat four times, or until people get bored).
