Verse 1

G **Eb**
There used to be a greying tower
F **G**
alone on the sea,
Eb **F**
You became the light on the dark
G
side of me,
F **C**
Love remains a drug that's the high,
G
not the pill,
Gm
But did you know, when it snows,
Eb **F** **Eb**
My eyes become large and the light
F **G**
that you shine can be seen

Chorus

G **Eb**
Baby, I compare you to a kiss from
F **G**
a rose on the grey
G
Ooh, the more I get of you the
Eb **F**
stranger it feels, yeah
G **Eb** **F**
And now that your rose is in bloom
Eb **F** **G**
A light hits the gloom on the grey

to me you're like a growing addiction
G
that I can't deny
Eb
Won't you tell me is that healthy,
F
baby
G **Gm**
But did you know, when it snows,
